## **Important News Regarding Receiving Faxes From Markay Leasing**

Dear Markay Leasing Customer:

The Federal Communications Commission recently issued new regulations that affect your ability to receive information by fax from Markay Leasing. The new regulations requires Markay Leasing to document your permission to receive faxes.

**Without the following written form being signed, returned, and on file, Markay Leasing is prohibited by law from sending you a fax, even if you call and request something to be sent to you by fax.**

To comply with this new law, please fill out the consent form below, together with every fax number you may wish us to transmit to, and fax it back to **(818)998-6125**. If you prefer to generally receive information via e-mail when possible (our preference), please also list your e-mail address(s).
